Miss. M. W. Chapman

We embrace this opportunity to show our respect for the Bold Defenders of Equal Rights, & our willingness to assist in the Anti-slavery movent. We should be happy to occupy a humble place in the 'Old Cradle of Liberty' but Fate decides otherwise; accept then our best wishes that surrounding & awaiting events may lead to a Happy close of 1845; also a happy Welcome to 1846—

Yours, for Justice & Equal Rights
